ALL ABOUT US Gary, Heather, Camryn & Team Stony

We are celebrating our XX Anniversary of owning and operating Stony Mountain Ski Area this season. We are planning a few special events and of course lots of snow and great conditions.

Stony Mountain Ski Area is just 7 miles north of Winnipeg's Perimeter Hwy on Hwy #7. Being located on Stony's east escarpment shelters us from the harsh north west winds. We have 100 feet vertical and have 6 runs serviced by 2 lifts - one handle tow and one rope tow. Covered by 100% snowmaking and daily grooming allows us to offer you the best snow conditions in the Winnipeg area.

Stony Mountain Ski Area has been offering ski and snowboard lessons for families for over 40 years. What we lack in vertical we make up in attitude and a friendly, safe environment. Our rental shop has ski and snowboard rentals available for everyone in the family. We start kids at age 2 on skis and age 8 on snowboards! It is recommended that children under 10 years of age ski first as snowboarding is much more difficult and we want to ensure that their first time on snow is a positive one!

Gary, Heather & Camryn Dewar with Kaysa the Norwegian Elkhound celebrate 20 years of owning Stony This season!

Retro Dress-up.

For the snowboarders your adrenalin rush starts here at our terrain park. Once the snow allows we have a 1/4 pipe wall, table top, fun box, dragon back, rainbow rail, flat rails, bonk poles and Brenty's down-flat-down rail.
