MANITOBA'S SNOWBOARDING CAPITAL!

Your winter fun begins here. Generations of skiers and snowboarders have gotten their start here at Stony, starting them on a lifetime of adventure that takes them to bigger hills and thrills.

Stony Mountain Ski Area is just 7 miles north of Winnipeg's Perimeter Hwy on Hwy #7. Being located on Stony's east escarpment shelters us from the harsh north west winds. We have 100 feet vertical and have 6 runs serviced by 2 lifts - one handle tow and one rope tow. Covered by 100% snowmaking and daily grooming allows us to offer you the best snow conditions in the Winnipeg area.

What we lack in vertical we make up in attitude and a friendly, safe environment. Our rental shop has ski and snowboard rentals available for everyone in the family. We start kids at age 2 on skis and age 8 on snowboards!

See You On The Snow, Heather, Gary & Camryn

TERRAIN PARK

For the snowboarders your adrenalin rush starts here at our terrain park.

Once the snow allows we have a 1/4 pipe wall, table top, fun box, drag-on back, rainbow rail, flat rails, bonk poles and Brenty's down-flat-down rail.

GIFT CERTIFICATES

A gift that lasts a child or teenager a lifetime...

THE GIFT OF SNOWBOARDING OR SKIING!
